

# For the *look* and the *ride* you'll want!

## *the look*

HWH Slide-Out Mechanisms provide truly flush floors – an exceptionally attractive interior design feature.

**With the HWH Slide-Out Mechanism there is nothing to hide on the inside or outside!** This 2012 Foretravel IH-45 Quad Slide motorhome has a smooth sidewall for a beautifully clean and flush automotive look.

Test drive a Foretravel with the HWH factory-installed Active Air Suspension Control System and see for yourself how wonderfully enjoyable motorhome driving and riding can be. See Active Air testimonials at [HWH.com](http://HWH.com).

Taking you to the next level.
