

HWH[®] SpaceMaker[®] Single/Dual Cylinder “In-Floor / Level or Straight-Out” Room Extension

Versatile!

Features and Benefits

- Low-profile design allows you to maintain the belt line.
- The HWH[®] in-floor mechanism is one of our most versatile!
- It's short overall length allows for mechanisms to be mounted directly across the coach from each other.
- Mechanisms can be configured for straight-out or flush floor duty.
- Available as a single mechanism for smaller rooms or two mechanisms can be combined for larger rooms.
- Cylinders can be mounted to either the left or right side of the mechanism.
